INDEX TO

HORTICULTURE

VOLUME XXVII

Articles in **black face** are illustrated

A

Abelia grandiflora in the North....248
Acacia cuttings, care after rooted.... 3
Accessories, avoid too many....200
Achimenes, old-time favorite — W. Hayward..407
Acid soils — J. A. Steyermark.... 16
J. Tiffany.... 94
V. A. Tiedjens.... 96
G. G. Nearing....116
Acid tolerant or acid needy, Are rhododendrons, blueberries, etc.? — Dr. J. A. Steyermark.... 16
Adams Nursery 100 years old (RG)....370
Amaryllis — Mrs. Hardgrove....197
Amaryllis being transformed — W. Hayward.. 81
Amaryllis belladonna var. barbata — W. Hayward....359
Amaryllis, new double.... 81
Amaryllis, why not blooming.... 3
Amaryllis vs. Hippeastrum — Wyndham Hayward....439
Anchusa Blue Stars.... 88
Anemone japonica, windflowers....187
Anemone pulsatilla....220
Anemone, wood, or windflower.... 60
Annuals for the seashore....200
Annuals, July-sown, for Fall blooming....248
Apple, Cortland.... 55
Apple, frost-proof.... 30
Apple scab control....231
Apple sprays, preharvest....400
Apples and weather.... 31
Apples, mercury residue on....267
Apples, old-time varieties best (RG)....370
Apples, pollen from shot gun gives good set (RG)..300
Apples, trouble with last year's — Dr. F. A. Bartlett.... 14
Apples, wild — N. McMurray.... 87
April again (RG)....144
Aquilegias — H. U. Holzer.... 96
Arabis, pink — H. H. Renaud.... 42
Aralia acanthopanax grows in shade....248
Arborvitae, why poor in foundation planting....392
Arnold Arboretum in May....205
Asparagus, soil for....130
Asparagus, when to fertilize....248
Aster, golden, in Maine — Mrs. E. M. Babb.... 27
Aster Plenty....362
Asters, perennial, dividing....392
Asters, wild — E. White....417
Atlanta, visiting (RG)....144
August lazy time on New England farm (RG)....300
Azaleas, chlorosis in....391

B

Baby's breath, yellow — M. S. Smith....342
Basil, great and lesser....141
Bean, lima, Triumph.... 80
Bean pot as flower container....270
Bean, Rival, new snap....335
Bean, Scarlet Runner, decorative and useful.... 84
Beans, garden, in Michigan — A. P. Whallon....111
Beans, pole, unstaked, bear seed....355
Beans, pole, why turn yellow....337
Beans, red kidney, zinc deficiency overcome....311
Bee, squash....382
Bees, chemical to protect from DDT (RG)....300
Beet, sugar, crop fully mechanized (RG).... 19
Beetles, ground, harmful to plants....248
Before Ground Freezes — Donald Wyman....450
Begonia developments — B. R. Buxton....140
Begonia Frau Helen Harms....140
Begonia, tuberous, Crispa Marginata.... 89
Begonias, tuberous-rooted, best way to set.... 40
Begonias, tuberous, fascinating — L. M. Hamburger.... 89
Billbergias for house plants — B. Buxton.... 26
Bird barriers — R. Wagner....238
Bird, southern mocking, in Nova Scotia — Mrs. L. Collins....104
Birds, English sparrow — R. Price....197
Birds in the Garden — Barbara Hayden....442
Birds, keeping from strawberries — S. F. Hollister.. 94
Birds, males handsome....203
Birds, Winter, good spirits of — E. Jaeger.... 18
Black stem rust quarantine....195
Bleedingheart, useful.... 27
Blueberry, high-bush, splendid ornamental shrub,..242
Book knowledge vs. actual experience — E. S. Henderson.... 25
Book Reviews:

Taylor's Encyclopaedia of Gardening.... 63
Through My Garden Gate — N. Flower.... 28
Vegetable Growing — Dr. J. E. Knott....150
Borders, new from old — O. M. Jennings....183
Boron deficiencies in legumes....115
Bouquets, fillers for — A. B. Turner.... 66
Bouquets, Winter — A. W. Wood....380
Boxwood, selenate on.... 59
Breeze Hill notes (Harrisburg) — M. R. Snyder....406
Boxwood troubles, mostly man-made — H. G. Mattoon.... 52
Brooklyn Botanic Garden receives Bulkley Medal..276
Broom-weed or kindling-weed....342
Brush, killing....373
Building, protecting trees and shrubs when — A. L. Green.... 42
Bulb catalogs — F. S. Kellenberger....270
Bulb planting for Spring flowering — M. Herbst 367
Bulb planting time again, Fall brings (RG)....333
Bulb production, light soil best for....355
Bulbs, corms and roots, dig when North wind blows — Prof. P. R. Krone....365
Bulbs, crocus, planting in Spring.... 40
Bulbs for a Spring garden picture — A. M. Davis...323
Bulbs, forcing Spring — A. Pautzsch....399
Bulbs, greenhouse flowering, to grow at home — E. O. Orpet.... 10
Bulbs, use rarer hardy — A. H. Wood, Jr....356
Bulkley Medal award....276
Bull, Ephraim W.....361
Butterflies, Winter — R. Headstrom.... 20

C

Cabbage club root control....311
Cacti and succulents, difference....377
Cacti from seeds — E. A. Labadie.... 49
Cacti, treatment when resting....174
Cacti with disease spots, remedy.... 3
Cactus, Christmas, 100 years old, blooming — Mrs. E. C. Cook.... 94
Cactus, Prickly Pear.... 49
Calendulas give touch of gold — A. B. Turner....238
California, garden experiences in — M. Orpet.... 94
Callas, yellow, why not blooming.... 3
Calochortus, culture of....130
Camellia Hiodoshi.... 9
Camellia, Japanese single — K. Yashiroda....224
Camellia, modern garden — H. H. Hume.... 9
Campanulas, desirable — N. M. Ingalls....276
Candles and Berries — Mrs. Wm. Stickles....437
Cannas, dormant — J. J. McLaughlin.... 11
Cardinal flower — M. I. Byrman....157
Carrot, wild, getting rid of....392
Catalog, H. P. Kelsey, Inc., is different (RG)....230
Catalogs, new....41, 98, 151, 274
301, 342, 370, 418, 419, 421
Catananche neglected — M. F. McCormick.... 91
Caterpillars, tent, to get rid of....107
Cat-o'-nine-tails, how to eradicate....174
Cauliflower, how to bleach....284
Cauliflower, how to grow — R. L. Warren....173
Cauliflower Ideal Snowball, All-American award.... 6
Celastrus....363
Celosia — A. B. Turner....103
Cellar Gardening — Henry Wendler....451
Challenging House Plants — E. C. Volz....443
Charcoal to keep water sweet....392
Chayotes, how to grow....107
Chemicals to control fruit setting (RG).... 95
Cherries, increasing the size....115
Cherry, Hanson bush, for eye and stomach — V. H. Sawyer.... 51
Cherry, Nanking — Mrs. A. Johanning....394
Chinese lanterns, avoid....336
Chives indoors in Winter....392
Chlordane for Japanese beetle larvae....284
Chlorophyll, commercial....267
Christmas Greens — Mrs. Wm. K. Jackson....434

Christmas Letter — W. H. C. 433
Christmas Trees — H. A. von Behr 444
Chrysanthemum Clara Curtis 404
Chrysanthemum culture — M. Carleton 297
Chrysanthemum Gladiator 299
Chrysanthemum, new, to bloom in June (RG) 300
Chrysanthemum shows in November 397
Chrysanthemums after blooming 377
Chrysanthemums, Chinese gifts to Japan 369
Chrysanthemums, early-blooming varieties 392
Chrysanthemums, English — Mrs. G. T. Whitten 416
Chrysanthemums, growing quality blooms — E. L. Scott 328
Chrysanthemums satisfactory for the North — Dr. L. E. Longley 404
Cissus antarctica (kangaroo ivy) 11
Cloth house for plants 130

CLUBS AND SOCIETIES:
Akron (Ohio) Rose Society, show of 340
Altadena show 154
American Horticultural Council 304
American Iris Society, meeting 93, 154, 234, 374
American Orchid Society 234
American Orchid Society, handbook 414

National Council of State Garden Clubs — L. A. Leach 155, 304
National flower week 342
National weed control conference 22
New England Gladiolus Society, flower show 375
New England Highway exposition 340
New England Wild Flower Preservation Society: Ferns 22; Fothergilla 234; Lilies 155; Lobelia 341; meetings 23, 60, 93, 190; Nantucket wild flowers 374; Roses 266; Spider wort 303; Wild lupine 414
Old Bristol (Me.) Garden Club, flower show 266
Oregon club active 154
Pennsylvania Horticultural Society 23, 93, 266, 374
Pennsylvania Horticultural Society, contest in Mt. Pleasant 414
Philadelphia Spring Show, garden prize 266
Platt lecture in Cranston (R. I.) 93
Salem (Mass.) open house 154
Scott garden award to Ellen Eddy Shaw 234
Trevose (Pa.) Horticultural Society beautifies highways 350
Westchester-Fairfield Horticultural Society, officers 92
Western Massachusetts flower shows 342
Worcester Garden Club, annual meeting 58
Cloth from peanuts made in Scotland (RG) 56
Cocona, new fruit in Brazilian jungle (RG) 95
Cold Frames — Kenneth W. Houghton 427
Coldframe, worked year around — P. J. McKenna 83
Coleus comes back — A. M. Muller 422
Columbine bridge — H. Greene 378
Coming events 70, 122, 166, 206, 243, 279, 314, 350, 386, 423
Compost heap, New Zealand 247
Compost is priceless — H. R. Maurer 298
Compost warning — W. C. Pelton 268
Conservation or desert — E. Hans 211
Corn, Golden Bantam, yield per acre 311
Corn, new, Oh 55, developed in Ohio (RG) 333
Corn, pop, how to keep in condition to pop 40
Corn, pre-emergence not for 195
Corn, sweet, new hybrid 108
Correa, rugged — L. Rowntree 260
Cosmos, cupped and feathered 7
Cosmos Radiance — A. B. Turner 102
Crab apples for long bloom 14
Cranberry Winter protection 311
Crop maturity, heat units for measuring 383
Croton cutting 259
Crotons, new, have won their place — W. H. Bischoff 257
Crown-of-thorns, care of 174
Currant, black, Crusader 253

D

Daffodil Aerolite, typical new 322
Daisies, painted, not troubled by insects — K. W. Houghton 142
Daisy, Michaelmas, a weed glorified — P. W. Dempsey 362
Daphne odora, culture of 3
Day in January, below zero (RG) 19
Daylilies, new race 32
Daylily, new developments — Dr. J. V. Watkins 221
DDT for birch borer control 267
DDT spray for peach tree borer 198
Delphinium, big red, will grow anywhere — E. W. Cisler 252
Delphinium, crown rot cure 392
Delphinium Happiness 263
Delphiniums for stateliness and beauty — C. and I. Wenk 263
Delphiniums where Summers are not too hot and dry 201
Department of Agriculture, visiting (RG) 144
Dianthus, hardy — W. E. Hamilton 153
Dianthus hybrids good in rock gardens 17
Dicentras in the garden — R. L. Spain 180
Dictamnus and platycodon care for themselves — Dr. G. O. Clark 364
Dieffenbachia sequine 11
Dogwoods, difference between 107
Dykes Medal to Iris Helen McGregor 364

E

Egg report for last year (RG) 333
Ericaceous plants, what are? 377
Espaliers or cordons, formation of — S. M. Meehan 406
Euonymus, ridding of scale 392
Evergreens, ice-covered, treatment of 40
Evergreens, time to trim 174

F

Fairs, country, little ones best (RG) 370
Fall is clean-up time — C. O. Cartwright 413
Fatshedera lizei, house plant 392
February, month of snow (RG) 56
Fence, multiflora rose hedge used for 366
Fern facts — Dr. M. R. Sharpe 238
Fertilize, to or not to — Dr. F. E. Bear 84
Fertilizers, new look in — P. W. Dempsey 272
Fertilizers, organic best for Fall use 377
Fertilizers, organic or inorganic — D. R. Hoagland 381
Figs, effect of hormones on 105
Fittonias 264
Flower arrangements — W. M. Slade 202
Flower arrangements under glass — C. L. Stratton 401
Flower box, shady 144
Flower show, California Spring, Oakland 230
Flower show material, forced, is worthless (RG) 188
Flower show photographs 176, 184
Flower shows, Boston 60, 79
Flower shows, chrysanthemum, in November 397
Flower shows in Spring 132
Flower shows, June in March 79
Flower shows, Spring, 1949 45
Flower shows tell much about a city (RG) 188
Flower, wild, gardening a mystery — A. E. Rapp 254
Flowerpots, gay — A. B. Turner 269
Flowers, Dept. of Agriculture working miracles (RG) 95
Flowers, Fall — N. McMurray 270
Flowers for visitors — R. E. Kelley 378
Flowers, humblest, very beautiful (RG) 56
Flowers, new and novel, for 1949 — E. F. Steffek 88
Flowers, share your — V. H. Sawyer 196
Flowers, Spring in February — L. C. Grove 45
Flowers, wild, naturalized from Europe 248
Flowers worth more than accomplishments (RG) 300
Flowers, yellow in Spring — C. W. Regan 163
Flying to Miami from Vermont (RG) 19
Forsythias, new way with — J. Cowles 102
Foundation planting, style to follow 337
Fragrance returns to the world (RG) 188
Freesias and ixias for indoors 377
Frost, prepare to fight the first — P. W. Dempsey 326
Fruit trees, time for setting 337
Fruits for freezing 307
Fruits, small, from Canada — Prof. M. B. Davis 25
Fuchsia San Francisco 22
Fuchsias, indoors and out — C. Schnabel 22
Funkia or plantain lily, leaves — J. Cowles 180

G

Gadgets, garden — L. C. Bies 288
Garden, April in 131
Garden, August chores in — A. Pautzsch 302
Garden, choose flowers for fragrance — Mrs. C. F. Berry 113
Garden colors do quarrel — J. C. Wister 251
Garden gadgets, by readers 410
Garden medicine chest — W. D. Whitcomb 134
Garden of Bay State Nurseries 132
Garden, Pacific — P. Ray 161
Garden pilgrimage to Mexico City 375

Garden, rock, bulbs suitable to 405
Garden, rock, low-growing shrubs for 248
Garden trials and tribulations in housing project — M. Matthews 50
Garden, vegetable, careful of nearby flowers 112
Garden week in Massachusetts 226
Garden work 5, 43, 77, 175, 215, 249, 285, 321, 357, 395
Garden work, early — V. A. Tiedjens 139
Garden Yearbook Contest Prizes 440
Gardeners, American, worst fault of (RG) 188
Gardeners, bad habits (RG) 188
Gardeners favor particular flower (RG) 370
Gardeners modest and humble (RG) 265
Gardenia, why yellowish color 3
Gardening after retirement — E. S. Tillinghast 366
Gardening, barrel — A. J. Hall 269
Gardening, water (RG) 230
Gardens, gardener reviews mistakes in (RG) 333
Gardens, many kinds of (RG) 188
Gardens, sunken, once base of cement quarry — L. Harrington 258
Gazania clan, gay — N. M. Ingalls 163
Gentian, prairie, difficult but beautiful — O. R. Tiemann 408
Gladiolus, blue-ribbon — Dr. K. E. Britzius 229
Gladiolus Bright Eyes 369
Gladiolus cormels, how to treat 107
Gladiolus development — M. Jack 306
Gladiolus, growing — R. C. Carter 64
Gladiolus Huntress 307
Gladiolus, no thrips on, thanks to DDT (RG) 333
Gladiolus, today and tomorrow — J. Odell 369
Gladiolus troubles 115
Gloxinias easy to grow — F. S. Kellenberger 401
Gourds for birdhouses 392
Gourds, treatment to preserve 337
Grafting, upside down, new method — R. H. Fillmore 15
Grape, Concord, centennial of — Dr. H. B. Tukey 361
Grape diseases, control 311
Grape, Steuben 12
Grapes, new and hardy — G. D. Oberle 12
Grapes, new, from California 23
Grapevines, tomato gall on 284
Grapevines, 2,4-D unsafe on 355
Grass, crab, killing with new compounds — R. M. Carleton 64
Grass substitute, try Veronica filiformis — A. H. Wood, Jr. 344
Grasses on terraces — H. F. Stoke 114
Greenhouse a blessing to gardener (RG) 19
Greenhouse, garden club built its own 55
Greenhouse gardening twelve months a year — C. E. Pfister 86
Greenhouse, insects and diseases in 325
Greenhouse made in cellar doorway — S. Maxwell 405
Greenhouse, Maplewood Garden Club building 55
Greenhouse, new, tricks for managing — E. D. Chabot 324
Greenhouse, soils for 325
Greenhouses, world's largest experimental 276
Ground covers for shade 275
Ground covers instead of grass — E. S. Harrold 294

H

Heat units for measuring crop maturity 383
Heaths, South African — L. Rowntree 394

Heaths, year-round garden of — Dr. H. C. Scorgie ... 54
Hedge, lilacs for — M. McCormick ... 182
